GOVERNMENT OF MYSORE

Regarding lands to be given in exchange to Mr B. G. Krishnamayyangar for lands taken up for the extension of Botanical Gardens, (Lal Bagh) Bangalore.

No 225 Dy 18-2-93.
(Serial No 14).

In February 1893. the Supdt. Lal Bagh, proposed, with the approval of the Dewan, the acquisition for the extension of the Botanical gardens, of Survey No 5 (Inam lands) in the Annepna village, of the Agaram Hobli, Bangalore Taluk. The Supdt stated that the site in question comprising 8-10 A. S of Inam lands had been in the possession of Nabe Saheb's Mukkan and has been mortgaged to three persons, viz, Yadava Annganna

Annamma, Gollar Kadarappa,
and Mr Gannadacharry
and that its acquisition
would complete the extension
of the Botanical Gardens
and make the contour
or outline sufficiently re-
gular to admit an enclosure
wall being erected to
define the garden boundary once
for all.

2. On receipt of the above, the Dy: Commr, Bangalore, was asked to take necessary steps for the acquisition of the land in question and to report for further orders of Govt the amount of compensation payable therefor. No 14927 Dy 8-3-93. R. 1820 (Serial no 15)

3. Accordingly the Dy: Comm. forwarded for publication in the Gazette a draft declaration under the Land Acquisition Regulation and reported that the amount No 226 Dy 21-8-93 (Serial no 17)

settled in communication with Mr Cameron.

4. The necessary declaration was published in the Gazette in due course.

5. Now, the Dy: Commr, Bangalore Dt, States that out of A·S 8-10 for which declaration was published, A·S 4-34 were in the enjoyment of Mr Rly. Krishna Iyengar, Son of Mr Garudachar, the mortgagee thereof; that this was an Inam land attached to the Nabesahib's Makkan in Bangalore; and its mortgage to Mr Garudachar had been recognized during the Inam Settlement. In 1895, this land was acquired and given over to the possession of Mr Cameron. It was proposed that compensation at

acre might be paid to Mr.
B.G. Krishna Iyengar, who,
in return requested that
suitable lands in the nei-
-ghbourhood might be
purchased by Govt and
granted to him, in exchange,
to be held on the conditions
which applied to the Makkan
land mortgaged to his father.
As it was not easy to purchase
lands in the neighbourhood
wh would suit Mr Krish-
-na Iyengar the question had
remained unsettled. Now
the Dy Commr states that
the proposal to purchase,
at Rs 150/- per acre, a portion
of Survey No 56 in the Yadayanna
Nagasandra village in the
Bangalore Taluk in order
to give it, in exchange, has
been agreed to by Mr
B.G. Krishna Iyengar.
The extent of land that
could be purchased at

~~Rs~~ 150/= per acre and ~~of~~ com-
-pensation amount of ~~Rs~~

~~at Rs~~ 7-8-0. The Assessment

is ~~Rs~~ 6-8-0.

The Dy: Comm^r. States that
Mr Krishna Iyengar has
agreed to pay the excess
Assessment of ~~Rs~~ 1-0-0, as

these circumstances orders
of Govt. regarding the
grant of the Lands to be

Serial No 2

In reply to the enquiry made as above, the Dy Collr reports as follows :—

Out of Survey No 5 of the Annipur village, the Inam land belonging to the Attavalasha Makkan, 4-34 (A G) were mortgaged to the late Mr B. G. Krishnaiengar before the Inam Settlement. In the Inam certificate it

is remarked that a quit-rent of Rs 6-- a year should be paid to the Makan. Out of the remaining portion measuring A 3 G 16, a portion measuring A 1 G 24 was mortgaged to Nagamma, the daughter-in-law of Sadar Rangappa, and A 1 G 32 to one Kadarappa, subsequent to the Inam Settlement. Accordingly, it was ordered that exchange lands should be given to the Makan but not to the mortgagees in these two cases.

The Dy Comr states that exchange lands in the two latter cases will be selected & the matter submitted for the orders of Govt after the settlement of Mr B. G. Krishna Iyengar's claim.

The paper, marked A, in the [redacted] Kannada file is a statement showing the settlement of the inam lands belonging to the Makan of Attavalasha makan. The lands to be handed over to the Makan are shown in the statement. The land of Mr B. G. Krishniengar is not shown therein, but is referred to in the order on the back of the statement as having been confirmed to the mortgagee.

Orders have to be passed regarding the proposal previously made by the Dy Comr - to purchase A 5 G 26 out of Sur: No 56 of Yadiyuru Nagasandra village and

give

give it in exchange for the land of
Mr B. G. Krishnaiengar taken up.

Submitted to the Secretary H.M. 15/5/03.

N 19/5/03

I do not know whether Govt would not be going out of its way to purchase lands for exchanging. The Proper Compensation should be paid in money and if any man wants terms are required, the owners may purchase lands & apply for Concessions. But in this case, as Mr. Krishnaiengar is dead, the terms agreed to with him may be carried out. A draft is submitted.

The Dy Comm's last letter is a reply to this office inquiry dated 14 Feb 1907. The Dy Cr knew the order of Correspondence through the Rev. Comr well enough; and he might well have written to the Rev Cr. But apparently as the question was only one about Payt of Compensation, he considered it 'financial' & wrote to Govt. At any rate, I thought so as the matter was long pend- ing a draft disposing of the thing finally was put up It would eventually have to come to Govt anyway

Correspondence ending with letter No. D 1157 dy 23.4.1903 from the Dy Comr, Bangalore District.

Order thereon:-

Survey No. 5, inam land belonging to the Attavalashe Makan, measuring A 8 - G 10, in the Annipur village, Bangalore Taluk, was in ~~the year~~ 1895 taken up for extending the Govt Botanical Gardens, Bangalore. Out of this land, a portion measuring A 4 - G 34 had been mortgaged to ~~[illegible]~~ Sahukar Garudachar and was in the enjoyment of his son, the late Mr B.G. Krishniengar. The mortgage, which had been effected prior to the Inam Settlement, was recognised during the said Settlement. For the A 4 - G 34, compensation at the rate of Rs 175/- an acre was fixed; but Mr Krishniengar requested that suitable lands might be granted to him in exchange, to be held on the conditions which applied to the Makan land mortgaged

to

to his father. The claim remained unsettled for some time as proper lands could not be found in the neighbourhood. At last, ~~Mr~~ Mr. Krishnaiengar consented to have ~~a portion~~ 5-26 out of Sur: No. 56 of Yadiyuru Nagasandra village, Bangalore Taluk. The Dy Comr proposed to purchase 5-26 A G of the said survey number at Rs 150/- per acre, out of the amount of compensation viz Rs 848-12-0 payable to Krishnaiengar, and grant the same in exchange for the 4-34 A G taken up, the difference in the assessment being made payable kfort as Jodi.

Post the owner thereof having refused to give it up, the Dy Comr has now with his consent of Mr B K Garudachar arranged to purchase ~~portion~~ 4-34 out of Sur: No 10 of the Uttarahalli village at Rs 175/- per acre out of the

Mr Dy Comr further state, that the amount of compensation were not obtained ~~as there were~~ from the Supdt of the Govt Garden & ~~the Same~~ held in deposit for purchasing land when available & requests that the amt may be placed at his disposal.

2. The purchase of 5-26 A G out of Sur: No 56 and ~~for~~ granting it in exchange for the land taken up are sanctioned. The difference in ~~the~~ assessment between the two lands, which will be fixed ~~should be ascertained~~ by the Supdt of Rev Survey in Mysore, should be paid kfort recovered as Jodi ~~from~~ by the party concerned.

3. It is observed that the proper course to be adopted in such cases is to pay compensation in money, and not to purchase lands for exchanging. If any inam terms are required, the owner of the land taken up may purchase lands, and apply for concession. But in the case in question, as Mr Krishnaiengar is dead, the terms agreed to with him are sanctioned as a special case.

The draft was read on the Evening of the 28th, 29th & 30th were holidays. The same was fair copied on the 1st & despatched on the 2nd. It should have been fair copied & Submitted on the 31st Ultimo, but as there were several other drafts, this was not attended to.

H.D. 4/11 This explanation is not satisfactory. I wish to know with whom the Draft was lying from the Evg. of the 28th. Mrk

Subd.

The draft was with Chinnasawmi Pillé who is the only Copyist now available for fair copy in the Revenue Branch, as the other Copyist (Soobbu) doing the duties of the despatching Clerk during the latter's absence on leave. If Chinnasawmi Pillé had known (and I did not know too) that the matter was urgent we should have Subd the fair copy on the 1st holiday. On the 31st however, there were more than 20 drafts with him & it was

impossible for him to get thro' the whole lot that very day, though he tried, to the utmost effect, to get some of the fair drafts to fair copies in the General Branch.

W. D. 4/11 The Hd. Accountant ought to have brought to my notice the fact that Draft to be fair copied had accumulated in the absence of one of the Copyists and it was his duty to have arranged for the conduct of an absentee's work—

The Hd Acct. ought further to have arranged for urgent work during the two holidays viz: the 29th & 30th.

~~Fair copies of drafts should not be delayed for more than 3 days.~~

On no account should the interval between the Date of the draft and the issue of its fair copy Exceed 3 days—. Cases of infringement of this rule will be severely noticed. Let this rule be entered in the order Book & circulated to all Offices— Mysore 4/11/82

Re The Mantapam near the Lall Bagh, the Honble P. Bentsah Rao is of opinion that as all the formalities required by the Land Acquisition Act have to be gone through, it will not be possible to remove the building before the Viceroy's arrival on the 22nd & that the matter may therefore lie over for the present.

The bare wall of the mantapam might, it is suggested, be covered up with green branches of trees or a few Cocoanut branches.

As no details were contained in the notice issued by the Municipality the Dy Commr asked the Vice Presdt to state why it was that steps were being taken for the acquisition of the land in question.

Sir,

I have the honor to propose with the approval of the Dewan, who visited the site, that the inam land comprising survey No. 5 of the Annepur village of the Agram Hobli be acquired for the extension of the Botanical Gardens.

2 The site in question is situated to the east of the present boundary and comprises 9 acres and 21 guntas of inam land in the possession of Nabi sahib's Makan. The land is at present mortgaged to the

3 When this property is acquired by Government it will complete the extension of the Botanical Gardens and make the contour or outline sufficiently regular to admit of an enclosure wall being erected to define the Garden boundary once for all.

4 If the question of settlement could be taken up at once, the land would be acquired while it is now lying fallow and thus lessen the equivalent of compensation.

Sir,

Adverting to the correspond
ence ending with your docket No. 10532
R. F. 196-92
dated the 31st December 1893, regarding
the acquisition of certain lands for
the Lalbagh at Bangalore, I have the
honor to state that out of the extent
of 8 acres and 10 guntas for which
declaration under the Land Acquisition
Regulation was published, 4 acres
and 34 guntas were in the enjoyment
of Mr. B. G. Krishna Iyengar, now
of Mr. Garudachar, the mortgagee
thereof. This was an inam land

attached to the Nabishaw Mah
in Bangalore and its mortgage
to Mr. Gamdachar had been re
cognized during the inam settle
ment. The land was acquired and
given over to the possession of Mr.
Cameron, the Superintendent of the
Lalbag, in March 1895. Mr. Cameron
proposed that compensation at the
rate of Rs. 175/- per acre, might be paid
to Mr. B. G. Krishniengar; but the
latter requested that suitable lands
in the neighbourhood might be
purchased by Government and granted
to him to be held on the conditions
which applied to the Makan land
mortgaged to his father. It was
not easy to purchase lands in the
neighbourhood which could satisfy
Mr. B. G. Krishniengar, and consequently
the question has remained unsettled

Now, a proposal to purchase a portion of survey No. 56 in the Yediyuru Nagasandra village in the Bangalore Taluk and give it to Mr. Krishna Iyengar has been made and agreed to by him. At the rate of Rs. 175/- per acre, the amount of compensation payable to Mr. B. G. Krishna Iyengar is Rs. 848-12-0. Survey No. 56, which is now proposed to be purchased and given to Mr. Krishna Iyengar, may be had at Rs. 150 per acre. At this rate, an extent of 5 acres and 26 guntas can be purchased for Rs. 848-12-0. Between the 4 acres and 34 guntas taken from Mr. B. G. Krishna Iyengar, and 5 acres and 26 guntas, now proposed to be given to him, there is a difference of Re 1 in Kandayam, and this difference is

agreed to pay, as jodi. I beg to submit, herewith, a statement giving the particulars of the lands concerned and to solicit the order of Government to the exchange.
